1. Purpose. To outline policies for administering the Casualty Assistance Calls and Funeral Honors Support Program within Commander, Navy Region, Mid-Atlantic (COMNAVREG MIDLANT) area of responsibility as designated by reference (a). This revision includes guidelines for assignment of Casualty Assistance Calls Officers (CACOs), revises certain areas of responsibility for participating activities, establishes training schedules, clarifies procedures for submission of travel claims for expenses incurred while performing CACO/FHS duties, clarifies scope of responsibility for Naval Air Station/Joint Reserve Base, Willow Grove sub-area coordinator, establishes policy, reporting requirements, and areas of responsibilities for the Mid-Atlantic Region Casualty Assistance Calls/Funeral Honors Support Programs.

2. Cancellation. COMNAVBASENORVAINST 1771.1P. Due to numerous changes instruction should be read in its entirety.

3. Background. The Navy's CAC/FHS Program was initiated by the Commander, Navy Personnel Command (COMNAVPERSCOM) to provide personal notification and/or necessary assistance (within practical limitations) to the Primary Next of Kin (PNOK) and/or the Secondary Next of Kin (SNOK) of those Navy personnel who become a casualty while on active duty or active duty for training. The program also provides for personal notification and/or necessary assistance to specific former Naval personnel, certain dependents, and members of other armed forces serving with or attached to U.S. Navy commands.

4. Policy

a. The Casualty Assistance Calls Program (CACP) assists and guides the families of our Sailors upon whom tragic circumstances have fallen. Regardless of the circumstances of the casualty, our response and assistance to these families will be handled with priority and the utmost understanding and sensitivity. Commanders at all levels will respond to the program's intended spirit and humanistic guidelines to ensure that every reasonable

24 MAY 1999

effort is made to help these families. Enclosure (1) provides specific guidance.

b. The Funeral Honors Support Program (FHSP) recognizes and commemorates the honorable service to our nation of deceased Naval and former Naval personnel. The practice of rendering funeral honors is considered by our nation to be a solemn and sacred obligation. Commanders at all levels will endeavor to respond to requests for military funeral honors with priority, sensitivity and the unwritten spirit of honor to one of our own. Every effort should be made to provide honors to the fullest extent possible. Enclosure (2) provides specific guidance.

5. Scope. By reference (a), COMNAVREG MIDLANT is assigned as the Casualty Assistance Calls/Funeral Honors Support Program Coordinator for the states of Virginia, West Virginia, Pennsylvania and Delaware as well as certain counties in North Carolina, Kentucky, and Maryland. Enclosure (3) depicts the list of participating COMNAVREG MIDLANT subordinate activities for regional CACOs within the Hampton Roads area. Enclosure (4) depicts counties and responsible activities outside the Hampton Roads area for the 5-state region.

6. Training. All commands are encouraged to ensure, at a minimum, personnel assigned as their CACO(s) attend at least one formal training session. COMNAVREG MIDLANT conducts training in Norfolk once a month, January through December. To obtain quotas call the Regional Coordinator at 322-2817/2818 two months prior to requested training. Training for the states of Pennsylvania and Delaware will be scheduled by COMNAVREG MIDLANT Regional Coordinator.

7. Naval Disasters or Accidents (Death/Injury) to more than 15 Personnel

a. When there are numerous assignments to be made for personal notifications/CACOs in Hampton Roads area, the alphabetical rotation responsibility, as listed in enclosure (3), is suspended. To avoid any one activity being overloaded, the COMNAVREG MIDLANT Regional Casualty Assistance Calls Coordinator will disperse assignments among the listed participating activities and appropriate type commanders on an equitable basis.

b. Generally, when an incident of this nature occurs, COMNAVPERSCOM (PERS 621) will alert the appropriate program coordinators. The Coordinator will immediately alert all activities and levy requirements for CACOs and chaplains to be placed in an immediate stand-by status, pending receipt of names and addresses of personnel and their next of kin.

8. Action. Activities listed in enclosures (3) and (4) are to provide an information sheet for the management of the CAC/FHS programs within COMNAVREG MIDLANT area of responsibility. Information sheets should be forwarded annually or as changes occur to Commander, Navy Region, Mid-Atlantic (N101), 6506 Hampton Blvd., Norfolk, VA 23508-1273, upon receipt of this instruction, and on every 31 January in the following format:

b. Command CACO Coordinator's office, pager, home and fax phone numbers.

c. List of CACOs on CACO watchbill, office, pager, home and fax number, projected rotation date (PRD) or expiration of active obligated service (EAOS).

d. The number of officers on board, less chaplains, with two or more years of service.

e. The number of senior enlisted (E7 or above) on board.

24 MAY 1999

- f. Command's duty phone number and fax machine phone number for the command.
- g. The Plain Language Address (PLA) for message traffic.
- h. The number of chaplains assigned to the command and their religious affiliation.
